FROM THE PRINCIPAL

The next GENERAL meeting of the P&C will be held on Wednesday, 15 October 2014 at 6:00pm in the Staffroom.

Volume 15
Principal's Report

16 September 2014

Dear Parents,

We have reached the end of yet another busy and successful term with much to be celebrated including our Showcase Award, the National Reconciliation Week Music Award, our NAPLAN results and our sporting achievements.

This week we celebrate our students' behaviour with the Gold Assemblies. Remaining assemblies for the week are:

<table>

</table>

Performing Arts Night

On Tuesday evening we will hold our annual Performing Arts Concert in the Hall. This is an opportunity to showcase the amazing talents of the students here at Bray Park State School. The concert commences at 6.00pm with a family ticket only $5.00 and an adult ticket $3.00. Funds raised will be used to provide ongoing support for our Music/Performing Arts Program.

We will also have a ukulele and music stand, kindly donated by the Australian Academy of Music, Brendale, to raffle on the evening.

P&C will be holding a sausage sizzle with drinks, ice creams, etc from 5.00pm. Come along and have an early dinner prior to the concert. I look forward to seeing lots of family and friends at this music extravaganza.

Twilight Sports

Bray Park State High School is hosting a Twilight Sports event on Wednesday 17 September. Please remember parents MUST collect their child from the high school at the completion of the event around 4.30pm.

Keep a watch on our school these holidays

With school holidays fast approaching, we need to look out for after-hours crime in our school. If you see anything suspicious, please don't attempt to intervene. Call the School Watch number and let the local police or State Government Protective Security Service deal with the matter. Keep the number handy – 13 17 88 – and let's work together to help create a safe school community.
Pre Prep starts after the September holidays

A reminder that Pre Prep commences on Wednesday 8 October at 9.00am in the Prep classrooms (Viscount Street entrance). If you have not yet enrolled for Prep 2015, please call into the Office and collect an enrolment pack. Only students enrolled at Bray Park State School are eligible to attend Pre Prep.

Have a safe and happy spring vacation and I look forward to seeing everyone back for the final term of 2014.

Have a great week,
Maree Mortlock
Principal

STUDENT OF THE MONTH

Congratulations to the following students on being chosen as ‘Student of the Month’. You are a great example to the other students at this school and should be very proud of your achievements. Afternoon tea for these students will be on Wednesday, 8 October (week 1 Term 4) at 2.30pm in the Assembly Hall.

STUDENT DENTAL HEALTH PROGRAM

The Child and Adolescent Oral Health Program will be offering treatment to the students of this school soon. Today, all students in Years Prep – 7 have been issued with a consent/medical history form. Please ask your child to give you this form as we were not issued with any spares. If you wish your child to be treated please return the fully completed consent form (3 pages) by Tuesday 8/10/14. Class teachers are collecting these forms. Due to the demands on our service, parents who return consent forms late will not necessarily have their children treated on site and may be offered treatment at another site.

Once dental staff receive a completed form, your child will be examined. If your child requires further dental treatment, a ‘consent to treatment’ form will be issued for your signed consent. You will be notified again via the school newsletter of the date the school dental program commences treatment at this school. For any enquires please contact Oral Health Program staff on 0408 779 592

MUSIC NEWS

Tonight is our big night! Entry to our Performing Arts Night is $2 Adult or $5 Family. We will be selling raffle tickets for a raffle drawn at the end of the night – you can win a ukulele and music stand! The prize has been kindly donated by Australian Academy of Music at Brendale. The P & C are holding a sausage sizzle, they will also be selling drinks and chocolate frogs.

Children performing will need to wear long black pants, black shoes and socks. They will be given a music polo shirt to wear for the evening. As part of their classroom music program children in year 4 and 5 are also performing on the night. These students are asked to wear their school uniform. All performers need to arrive at the hall no later than 5:30pm.

Children will be supervised in the old library when not on stage, this will help keep noise to a minimum during all performances. Please be considerate of other audience members throughout the evening – when your child has finished performing someone else’s is just beginning!

The chocolate frog fundraiser was a great success, thank you to everyone who supported our music program.

Finally a huge thank you to the parents who have reminded their children to practice, woken them up for early rehearsals, given permission for children to go to excursions and out of school performances. Only one term to go!

Reminders:

- No Senior Choir rehearsal this week
- No Concert Band rehearsal this week on Thursday.
  Lessons will be on as usual, so please still bring your instruments
- Instrumental music 2015 – return expression of interest forms asap
- Return school music uniforms (a few are still outstanding)

Thank you very much,
Mrs Gray, Music Teacher and Mrs Hicks, Instrumental Teacher

SPORTS NEWS – DISTRICT GALA DAYS

On Friday the 5th of September, the Yr 5-7 students participated in the next round of Pine Rivers Sports District Gala days. Bray Park S.S entered teams in both Futsal and Oz Tag and from all reports our school competed very well.

Mrs Elliott who went to futsal reported that despite not winning all their games the students who went to Futsal were competitive, showed great sportsmanship and most importantly they had a great time.

In the Oz Tag competition the Bray Park teams continued this great performance. Bray Park S.S entered 6 teams into the Oz Tag competition. All students once again displayed outstanding sportsmanship and school spirit. Overall the Bray Park S.S teams were very successful in Oz Tag. Our boys Titans teams were undefeated all day and won the competition. Our girls team, the Unicorns were also very successful only losing one game and again winning their competition.

Congratulations to all students who participated in the gala day, you all did our school proud.

The final round of district sport gala days will be held on Friday the 29th of November.

Matt Flannery, H.P.E Teacher
DSTA NEWS
All Defence families are invited to afternoon tea at 2:15 - 3:00pm on Wednesday 19th September 2014 in the school library. Students will join us at about 2:30pm.
* A few weeks ago all Defence families received a letter and short survey. Please return these surveys as soon as possible so we can ensure we are offering the information and assistance that will best suit the needs of the Defence community within our school.
* If your family is relocating at the end of this year we can assist you with collating your child’s school records and making contact with the new school in your gaining location.
* Did you know that DCO (Defence Community Organisation) offers a tutoring allowance to Defence families for students who have been educationally disadvantaged due to moving schools? If you feel your child may need to access this allowance please speak to their class teacher and call the Redlo at DCO’s Brisbane office via the Defence Family Helpline 1800 624 608.
* We thank the indoor play centres – “Chipmunks” at Lawnton, “Lollipops” at Strathpine and “Skateaway” at Albany Creek – for their support of the DSTA program.
* We are collecting old ADF uniforms for a dress-up box. If you have any you’d like to donate, or if you need any more information about the role of the DSTA, please contact me via the school office.

‘Playing Safe and Having Fun’

IMPORTANT MESSAGES FROM THE COORDINATOR...
AS IT IS COMING TO THE END OF THE SCHOOL TERM WE HAVE VACATION CARE COMING UP. MAKE SURE YOU GET IN QUICK AND SECURE YOUR PLACE.
THANK YOU, LEESA. ☺

IMPORTANT INFORMATION...
PLEASE MAKE SURE IF YOUR CHILD IS BOOKED IN AND IS NOT GOING TO BE ATTENDING A SESSION THAT YOU ADVISE US BY PHONE OR EMAIL AS IF WE CANNOT GET IN CONTACT WITH YOU OR EMERGENCY CONTACTS WE ARE REQUIRED TO CONTACT THE POLICE FOR FURTHER ASSISTANCE.

JOIN US NEXT WEEK FOR SOME WONDERFUL EXPERIENCES AND LOTS OF FUN...
CRAFT, TABLE TENNIS, STEPPING STONE PAINTING, SOCCER, HANDBALL, SENSORY PLAY DOUGH, TENNIS, ORIGAMI MAKING, SOCCER TABLE, GIANT CONNECT 4, GAMES & MORE...AND OF COURSE OUR YUMMY FOOD ☺

BRAY PARK STATE HIGH SCHOOL
JUNIOR SECONDARY IN HIGH SCHOOL
The third principle of Junior Secondary is Student Wellbeing. Here we meet the social and emotional needs of Junior Secondary students with a strong focus on pastoral care. When students develop a strong sense of wellbeing they experience success in learning. Making connections between their subjects and the real world helps students to enjoy school, engage meaningfully with learning and establish the skills to succeed in life. At Bray Park SHS we:

- hold an Orientation Day to enable students to connect with our school
- develop positive relationships with students
- provide peer support and mentoring programs
- have a home room teacher to provide pastoral care during roll marking
- encourage students to be involved in lunch activities
- provide F@ST program to support students with homework and assessment
- offer a Life Skills program to develop study skills and resilience
- provide access to our support team including school nurse, guidance officer, chaplain and year coordinator.

ENROLMENT
Enrolments for year 7 and year 8 2015 are now due. Please hand in completed enrolment packs to the Bray Park SHS office. Enrolment packs are available from the school or can be found on the website https://brayparkshs.eq.edu.au/Enrolments/Pages/Enrolments.aspx.

Interviews for Special Education Program students have been occurring over the last few weeks with enrolment forms due before the school holidays. Please contact Snjezana DeKroon HOSES to make an appointment.

If you would like further information about our school or a tour of our facilities please contact Ed Gordon – Head of Department Junior Secondary egordon@eq.edu.au.

Michelle Lyons
Deputy Principal
Junior Secondary
Bray Park State High School

MISSING LIBRARY IPAD – PLEASE HELP
The school Library is missing an iPad in a blue case. Could all parents please ask students to check their library bags and also at home, as it may have been accidentally taken home after a library session. This is a very important resource for our school. There will be a generous chocolate reward on offer for its safe return to us. Thank you ☺

Enrol for 2015 Prep
Children born 1 July 2009 to 30 June 2010 are eligible to enrol.
P&C News

5c Fundraiser — this fundraiser has started and to date Prep A are still leading the way with their collection of 5c pieces, followed VERY closely by 1c and Prep B. Pretty awesome effort so far!! Classes have until 10am this Thursday to get their 5c pieces in to the office for counting. The winning class will be announced after first break and they will get to enjoy a pizza party at second break. So keep collecting and get those 5c pieces counted toward your own class tally. Only 5c coins can be accepted. Correction: the pizza party will be on Thursday, and not Friday as indicated at the assembly this morning.

Performing Arts Night — Tonight, 16th September, Bray Park State School will be hosting its annual Performing Arts night. There will be performances from our band and strings members as well as from our ukulele, choir groups and Bray Park Idol winners. There will be the customary sausage sizzle starting around 5pm along with ice-creams, lollies, chocolates and hot/cold drinks available for purchase. The cost to attend is $5.00 per family or $3.00 per adult. Money raised at the door will be used to further enhance the music program.

We need parent helpers on the night to assist in the kitchen or on the BBQ so if you are able to help in any small way please come and see us on the night.

Tuckshop — With the popular new menu we are receiving a higher volume of orders each day which is GREAT! To ensure our tuckshop is able to continue operating we DO need the help of parents, carers, grandparents, aunts and uncles to volunteer each day. All we are asking is for an hour of your time each week to help with the preparation of the orders. Please contact the office if you are able to assist. The tuckshop is open Wednesday, Thursday and Friday 8.30 – 12.00pm.

Ideally we would like to have some regular volunteers so that we can have a roster in place to enable people to plan ahead. Tuckshop volunteer forms are available from Admin and any help you can offer is greatly appreciated and will also benefit the children that use the tuckshop. Please return these forms to the school Office.

If you have any enquiries about volunteering please contact Tamara White (P&C President) via pandcpresident@brayparkss.eq.edu.au or alternatively phone the school on 07 3480 7333.

For the month of September, look out for your ‘Kids Go Fresh’ collector cards which we will be giving out to reward healthy tuckshop orders.

The P&C is in the process of establishing online ordering for the Tuckshop. This will enable parents to order online in advance and will also help with stock ordering and planning. Further information will be passed on as it becomes available. Hopefully we will have this up and running early in Term 4.

The tuckshop is in need of the following donations and if you are able to assist in any way it would be greatly appreciated – Jatz/ritz biscuits, strawberry/raspberry jam, tinned pineapple pieces or beetroot, cling wrap, baking paper and alfoil.

Booklists for 2015 — Booklists have been sent home with students today and are due back with payment to My School Gear by Friday October 31st. Credit card payments will be able to be made via the direct link on the school website www.brayparkss.eq.edu.au. If you wish to discuss payment plans please contact Russell Patterson directly at ‘My School Gear’ on 3881 3100. A percentage of all booklist sales will be donated back to the school.

General Meeting — The October general meeting will be held in the staffroom on Wednesday the 15th at 6pm. P&C membership forms for 2014 are available from the school office. Please note that you need to be in attendance at the meeting to lodge your membership form.

P & C Book Supply Sale - Are you interested in buying some of next year’s book supplies at cost price? The P & C have some stock that is left over from the closure of the bookshop. We would like to sell off this stock and will have a table set up outside the school on Friday 17th October 2014. We will have stock of books, markers, pencils, crayons, calculators, glue sticks, USB sticks and many more of the items that are required for your child’s booklist. A full list will be made available and posted on the notice boards ASAP and by no later than Friday 10th October 2014. Stock will be available for purchase from 8.00am until 9.00am and again from 2.30pm to 3.30pm. The stock will be sold at cost price which will be a great reduction for you and will allow the P&C to recoup what has been spent. This money can then be allocated to something more beneficial to the whole school.
Investigative Learning in Prep and Year 1

News Flash

Some key goals for children’s learning are to promote in them the ability to think laterally and creatively; to be able to self-initiate, to explore the properties and elements of things, to problem solve, to take risks, to think deeply, to construct ideas and meaning, to utilise their own understandings and discover new ones, to become interested in endless possibilities and opportunities and to become increasingly intrinsically motivated to learn, to find out, to try, to have a go and to develop resiliency.

A highly effective way to meet these goals, to engage children in learning and to improve the outcomes from learning, is investigative learning. The investigative learning approach is based on rigorous evidence, research and theory. It is based upon brain research, neuroscience, child development theory and a range of cultural and social influences from family and the wider environment.

Investigative learning places the child at the centre of the curriculum and teaching strategies; it ensures authentic personalised learning. Formal, explicit instruction of academic curriculum areas is used, alongside much more active engagement of children working on their own investigations.

At Bray Park State School we have thoroughly researched investigative learning and will be implementing it in all Prep and Year 1 classrooms in 2015, however it will start in both Prep classrooms next term. Parents will notice differences in the appearance of the Prep classrooms from the start of the term as the new approach is put in place.

The investigative learning approach is highly structured and linked to the Australian Curriculum. Students will spend time in the mornings engaged in ‘Investigations’ and then during the remainder of the day they will have formal, explicit teaching in literacy and numeracy which is linked to the learning from the ‘Investigations’.

We are currently making arrangements to hold a parent information evening about investigative learning in the second half of Term 4. Watch this newsletter for details.

An important aspect of investigative learning is to ensure that children have regular opportunities to construct, to create, to explore and to investigate in purposeful ways. The environment requires a great deal of planning by the teacher and is set up with clear intention and purpose. It is carefully and strategically arranged in ways that foster and develop skills such as problem solving, self-initiating, decision making, deep level thinking, risk taking and constructing meaning. With investigative learning, the nature of what resources are provided and how those resources are set up is extremely important.

Many of the resources needed to implement investigative learning are the sorts of things that can be found in any home. We are seeking support from the school community and local businesses to get the resources we need.

Can you help?

Please have a look at the attached list of resources. If you can help by donating any of the items on the list we would be grateful. Donated items do need to be clean, in reasonable condition and safe.

Please drop donations to either the office or the Prep buildings.
These lists are not exhaustive – they represent indicative items that might be useful in a play based curriculum. Any item which is safe and used or found in or around the home could be useful.
