

Investing for Success

**Under this agreement for 2017
Bray Park State School will receive**

\$171,600*

This funding will be used to

Improve NAPLAN performance:

- Percentage of students at or above National Minimum Standards in;
 - Reading Year 3 - 99%, Year 5 - 99%.
 - Numeracy Year 3 - 99%, Year 5 - 99%.
- Percentage of students in Upper Two Bands;
 - Reading Year 3 - 32%, Year 5 - 35%.
 - Numeracy Year 3 - 28%, Year 5 - 10%.
- Improve student achievement - 75% or greater students achieving a "C" or better in English, Maths and Science.
- Improve student attendance to 92% or better.

Our initiatives include

- Full time teacher aides in Prep to support early Literacy and Numeracy development.
- Teacher aide resources to work with disengaged upper school students in alternate Literacy and Numeracy programs.
- Teacher aide to support Literacy and Numeracy intervention programs in the middle school.
- Teacher aide to support Literacy and Numeracy intervention in Year 1 and Year 2.

Our school will improve student outcomes by

- | | |
|---|----------|
| • Employing 2 full time teacher aides to support Prep classrooms. | \$90,000 |
