Dear Parents and Volunteers,

This Code of Conduct has been adopted to aid all members of our school community to work as a well-ordered group that promotes interest and facilitates development to further improve Bray Park State School.

To this end, I agree to observe and uphold the following Code of Conduct:

- Suspend judgements and listen to and value all viewpoints. Accept where others are at.
- Act responsibly and exhibit courtesy to all stakeholders (students, staff and parents)
- Co-operate with others in good faith and interact respectfully, as an individual or in teams, when working in all school contexts or on behalf of the P & C Association.
- Allow, and give, no ‘put downs’. Discussion is healthy; personal attacks are destructive and to be avoided.
- Discrimination on racial, ethnic or religious grounds is inappropriate, as is any form of sexual discrimination and/or harassment
- Observe confidentiality. If in the course of my interaction with the school community, I am exposed to information that is of a sensitive nature or information that is clearly confidential, I shall not repeat this information outside the school context. If I am concerned about an issue, I will bring it to the attention of the school administration team.
