You can view your transactions in the 'My Account' section of the site.

eWallet

There is a facility to use the financial module with schoolshoponline called eWallet. This allows you to deposit funds into the account and draw on the funds for your purchases. Funds can only be deposited into your e-Wallet account via direct deposit into the account of SchoolShopOnline.

Remember to use your e-Wallet number e.g. REG000000 as the deposit ID so funds can be allocated to the correct account.

Quick references: There is a 'FAQ' section in the site where you can read more about the services
