

## Outside School Hours Care

### Y children love being with us!

YMCA Bray Park OSHC is a place where children are valued. There is always a variety of **interesting and exciting** things to do.

You'll discover a range of age appropriate activities which encourage children to interact with friends, **learn life skills, problem solve** and be **challenged** by new experiences in an environment that is safe, fun and supportive.

We escort preps and young children to and from their classrooms and other activities including sports, music and drama. Children are provided with a **nutritious breakfast and afternoon tea**. During Vacation Care morning tea is also provided.

Did you know, some of our families pay as little as \$2 per day? Parents / Care Givers may be eligible for **financial assistance** towards child care fees through the Australian Governments' Child Care Benefit Scheme.

Attendance at YMCA Bray Park OSHC can be on a casual, part time, regular or emergency basis.

**ENROLMENT PACKS ARE NOW AVAILABLE**

## Outside School Hours Care

# Holiday Club

To compliment Before and After School Care programs, we kick off our Holiday Club during school holidays. There is always **exciting activities**, fantastic **excursions** into the wider community and entertaining **visitors** who are sure to 'wow' children with their skills and talents.

YMCA Bray Park OSHC team members organise a wide range of activities that develop each child's **social, emotional, physical** and **creative** potential. Activities are presented in a fun and interesting way to encourage fair play and turn-taking.

We organise **stimulating and interactive** incursions based on a variety of **interests** and educational experiences. These can include for example, a visit from Professor JellyBean who will have children blowing **huge slimy bubbles** and creating **coloured blobs** that seem to **magically** bounce up and down.

Additionally, our team prepare excursions so children can **experience** aspects of **the wider community**. An excursion could involve going to the **movies** with lunch at Sizzler or, a trip to **Movie World** where children can experience rides and kids entertainment or create their own movie magic.

Program plans and activities are designed to ensure **all children** can participate in a **positive** and **meaningful** way including children with additional support needs or disabilities.

For more information or to arrange a **personalised tour** of our service, please contact us on the below details. Your family can get to know us and more importantly — we can get to know you and your child/ren.
